Max Lucado quote:

"You can't go to the cross with just your head and not your heart. It just doesn't work that way. Calvary is not a mental trip. It's not an intellectual exercise. It's not a divine calculation or a cold theological principle.

"It's a heart-spitting hour of emotion.

"Don't walk away from it dry-eyed and unstirred. Don't just straighten your tie and clear your throat. Don't allow yourself to descend Calvary cool and collected.

"Please... pause... look again.

"Those are nails in those hands. That's God on that cross. It's us who put Him there. Peter knew it. John knew it. Mary knew it.

"They knew a great price was being paid. They knew who really pierced His side. They also somehow knew that history was being remade.

"That's why they wept. They saw the Savior."
