“Apparently many Christians don’t believe God’s promises. They carry around the idea that they have to protect everything they have and hold on to it. They become hoarders and they become stingy and they become self-indulgent and protective. It’s really a matter of faith. It’s a question of trust and belief. You either believe it or you don’t. If you do, you give because giving is more blessed and giving causes God to give back in greater abundance.”
