*Notes:*

“Worship is the first activity of our church and affects everything we do. We believe all true worship is dependent on the knowledge of God. The Bible is the perfect revelation of God—who He is, what He does, and why He alone is worthy of all worship and praise. We don’t worship the God of our imagination, but God revealed in time, history and revelation through the Scriptures. Worship begins and ends with the Word of God reflected in music, prayer and teaching. We gather to confess and celebrate ‘God is worthy’ and depart to live ‘for His glory.’”

“The Holy Bible was written by men divinely inspired and is God’s revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.”
