Notes:

“Whether in the Gospels or Acts, incarnation is the secret strategy by which God changes the world...Whenever God wants to get a message across to men He does not merely send someone to announce it; His final way of driving it home is to dress the message in flesh and blood...That is the strategy of the book of Acts. It is the record of the incarnation of men and women possessed by Jesus Christ and manifesting His life every day. Anytime you find Christianity not doing this, it is false Christianity...if it is not the activity of human beings possessed and indwelt by the life of Jesus Christ, it is not authentic Christianity.”
