Notes:

“Full participation in the life of God's Kingdom and in the vivid companionship of Christ comes to us only through appropriate exercise in the disciplines for life in the spirit. Those disciplines alone can become for average Christians ‘the conditions upon which the spiritual life is made indubitably real.’ It’s true. And if this point can be made as convincingly as its truth and its importance deserves, the practical effects will be stunning. There will be a life-giving revolution in our personal lives and in our world.”
