## Worship Through the Word

Worship is the first activity of our church and affects everything we do. We believe all true worship is dependent on the knowledge of God. The Bible is the perfect revelation of God—who He is, what He does, and why He alone is worthy of all worship and praise. We don't worship the God of our imagination, but God revealed in time, history and revelation through the Scriptures. Worship begins and ends with the Word of God reflected in music, prayer and teaching. We gather to confess and celebrate "God is worthy" and depart to live "for His glory."
