“If you read history, you will find that the Christians who did most for the present world were precisely those who thought most of the next. It is since Christians have largely ceased to think of the other world that they have become so ineffective in this... Aim at heaven and you will get earth thrown in. Aim at earth and you get neither.” —C.S. Lewis

“I don’t believe in an afterlife, so I don’t have to spend my whole life fearing hell, or fearing heaven even more. For whatever torture of hell, I think the boredom of heaven would be even worse.” —Isaac Asimov

*Notes:*

“Our belief that Heaven will be boring betrays a heresy—that God is boring. There’s no greater nonsense. Our desire for pleasure and the experience of joy come directly from God’s hand. He made our taste buds, adrenaline, sex drives, and the nerve endings that convey pleasure to our brains. Likewise, our imaginations and capacity for joy and exhilaration were made by the very God we accuse of being boring. Are we so arrogant as to imagine that human beings came up with the idea of having fun?” —Randy Alcorn
