1. A god exists who created and orders the world and watches over human life.
2. God wants people to be good, nice, and fair to each other, as taught in the Bible and most other world religions.
3. The central goal in life is to be happy and to feel good about oneself.
4. God does not need to be particularly involved in one's life except when a god is needed to solve a problem.
5. Good people go to heaven when they die.

Jesus—Admirer or Christ-follower?

“Self-proclaimed Christians who worship a god that requires no sacrifice, no obedience, no submission and no surrender are not worshipping the God of the Bible, no matter how much they claim they love Jesus.”
