Psalms 37:23-24

When God wants to drill a man,  
And thrill a man,  
And skill a man  
When God wants to mold a man  
To play the noblest part;  
When He yearns with all His heart  
To create so great and bold a man  
That all the world shall be amazed,  
Watch His methods, watch His ways!  
How He ruthlessly perfects  
Whom He royally elects!  
How He hammers him and hurts him,  
And with mighty blows converts him  
Into trial shapes of clay which  
Only God understands;  
While his tortured heart is crying  
And he lifts beseeching hands!  
How He bends but never breaks  
When his good He undertakes;  
How He uses whom He chooses,  
And which every purpose fuses him;  
By every act induces him  
To try His splendor out—  
God knows what He's about.
