

NEVER STOP GROWING!

Guard Your Gratitude

LAW 5: Always make your gratitude greater than your success. — *The Laws of Lifetime Growth* by Dan Sullivan and Catherine Nomura

"...give thanks in all circumstances;
for this is the will of God in Christ Jesus for you."

—1 Thessalonians 5:18
(underline added for emphasis)

"Increased gratitude is essential for lifetime growth. Only a small percentage of people are continually successful over the long run. These outstanding few recognize that every success comes through the assistance of many other people—and they are continually grateful for this support. Conversely, many people whose success stops at some point are in that position because they have cut themselves off from everyone who has helped them. They view themselves as the sole source of their achievements. As they become more self-centered and isolated, they lose their creativity and ability to succeed. Continually acknowledge others' contributions, and you will automatically create room in your mind and in the world for much greater success. You will be motivated to achieve even more for those who have helped you. Focus on appreciating and thanking others, and the conditions will always grow to support your increasing success." — *The Laws of Lifetime Growth* by Dan Sullivan and Catherine Nomura

"Gratitude is not only the greatest of all virtues, but the parent of all others." —Cicero
