-.017.tiff

“Mission is the result of God’s
initiative, rooted in God’s purpose
to restore and heal creation.
‘Mission’ means ‘sending,’ and it is
the central biblical theme describing
the purpose of God’s action in
human history. God’s mission began
with the call of Israel to receive
God’s blessing in order to be a
blessing among the nations.

-.018.tiff

God's mission unfolded in the history of God's people across the centuries recorded in Scripture, and it reached its revelatory climax in the incarnation of God's work of salvation in Jesus ministering, crucified, and resurrected.

-019.tiff

God's mission continued in the sending of the Spirit to call forth and empower the church as the witness to God's good news in Jesus Christ."
